Collection: National Security Files

Series: Subject Files, 11/22/1963 - 1/20/1969 [NAID 12006886]

NATIONAL SECURITY FILES, Subject Files

For list of folder titles, see page 2.

Scope and content note:

This series contains memorandums, correspondence, telegrams, press releases, and reports that cover a broad range of topics. Some major topics within the files include material on international economic issues, such as balance of payments, the Kennedy Round and trade negotiations, efforts to increase East-West trade, and the 1968 monetary crisis; foreign aid, including food aid and population control; disarmament issues, including the Non-Proliferation Treaty; North Atlantic Treaty Organization (NATO) and the Multilateral Force; nuclear weapons and testing; Outer Space, including the Outer Space Treaty, and the transition between the Johnson and Nixon administrations. There is a smaller amount of material on civil rights and anti-war activities, communications policy, Radio Free Europe and the controversy over Central Intelligence Agency (CIA) funding of private organizations, the 1964 presidential campaign, chemical and biological warfare, and emergency defense procedures.
