Personal Papers of Francis Bator

BIOGRAPHICAL SKETCH

Francis Bator came to the NSC staff in April of 1964 and was appointed Deputy Special Assistant to the President and senior NSC staff member in 1965. His basic areas of responsibility included European affairs and foreign economic policy. He played a major role in the defense of the dollar and the pound, and the coordination of the Kennedy Round.

SCOPE AND CONTENT

This collection consists of files assembled and maintained by Francis M. Bator during his time on the National Security Council and White House staff for European affairs during the John F. Kennedy and Lyndon B. Johnson administrations. There are chronological and subject files that contain memorandums, correspondence, draft correspondence, speeches, cables and handwritten notes covering a range of international economics issues, particularly balance of payments, international monetary policy, and trade.
